Beverley Sheehan and Swingshift:

"BEVERLEY SHEEHAN is an enticing vocalist: tough and down in the dumps like Bessie Smith in some songs, swinging with the exuberance of an Ella Fitzgerald or Carter in others." **Courier Mail, Brisbane, Australia.** Vocalist Beverley Sheehan has been internationally described as "enticing", "glorious", exuberant", "swinging", "spellbinding", "moving" and "heartwarming"; superlatives usually reserved for none but the greats in the entertainment world. Audiences also comment on her uniquely magnetic charisma and glamorous appeal on stage, and popular choice of versatile material in her own world of traditional jazz. Beverley has gained love and respect as special guest artist: at prominent Jazz Clubs in most capital cities, numerous Jazz Festivals, and at Jazz Conventions held annually around Australia. In particular, every year since its 1988 inception, Beverley featured at the Monsalvat International Jazz Festival. Beverley will bring to all the most memorable and beloved Jazz music with her exciting 7 piece Dixieland Swingshift band.
